item on the bottom row. The options on the top change depending on the item selected in the bottom row. The buttons to the right of Live TV provide quick access to apps like Netflix and Prime Video. Use the left and right directional buttons to move between rows. Press the Select button to access a menu or apps. When the Smart Hub home screen appears, use the left or right directional button to move the focus to Live TV or Samsung TV Plus. Press the up directional button to move to the top row. You will be on the Guide item. The items in this row may include Guide, Channel List, Schedule Manager and others. Samsung TV Plus may not be supported depending on the model or geographical area. - 183 - Page 17 • Home This menu appears first when you press the button. Then you can quickly use any of Samsung Account, Notification or Privacy Choices. - Samsung Account Go to the Samsung Account screen to create a new account or sign out of your account. For more information about the Samsung Account, refer to "Using a Samsung account". - Notification You can view a list of notifications for all events that occur on your TV. A notification appears on the screen when it is time to broadcast a scheduled programme or when an event occurs on a registered device. If you move the focus to Notification, and then press the Select button, a notification window appears on the screen containing the following functions: Delete All and Settings. - Privacy Choices You can view and set the privacy policy for Smart Hub and various other services. • Universal Guide Universal Guide is an app that allows you to search for and enjoy various content such as TV shows, dramas and movies in one place. Universal Guide can recommend content tailored to your preferences. You can use this feature on your mobile device with the Samsung SmartThings app. To enjoy the content from these apps on your TV, they must be installed on the TV. When you watch some paid content, you may need to make a payment using their associated app. Some content may be restricted depending on your network conditions and your subscriptions to paid channels. Parental control is necessary when children use this service. Images may look blurry depending on the service provider's circumstances. This function may not be supported depending on the model or geographical area. - 185 - Page 18 Launching the e-Manual Open the user manual embedded in your TV. Press the button to open Smart Hub, press the left directional button to move to Settings, and then press the Select button. Use the up and down directional buttons to move to Support, and then select Open e-Manual to open the e-Manual. Settings Support Open e-Manual You can view the embedded e-Manual containing information about your TV's key features. Alternatively, you can download a copy of the e-Manual from Samsung's website (). Words in blue (e.g., Internet) indicate a menu item. The e-Manual contains 2 rows of menu icons. Use the up and down directional buttons to move between rows and the left and right directional buttons to move within a row. Press the Select button to open the section you want to read. The e-Manual contains a section called "Learn TV Remote" in "Accessibility Guidance". This is particularly useful for people who cannot easily see the buttons on the control or who are not clear what each button does. When you are viewing this section of the e-Manual, pressing the buttons on the remote control will not affect the TV. Note that the "Accessibility Guidance" item is only available when Voice Guide (Settings General Accessibility Voice Guide Settings Voice Guide) is enabled. - 186 -
